

**RESOLUTION 2024-0003**

**A RESOLUTION AUTHORIZING THE TOWN OF FRANKFORD TO "PASS THROUGH"  
THIRD-PARTY COLLECTION FEES TO DEBTORS**

WHEREAS the Town of Frankford wants to take steps to ensure that its delinquency rate is as low as reasonably possible so as to minimize the impact on Town residents;

WHEREAS the Town believes, after speaking with representatives of other municipalities, that it can better achieve this goal by contracting with a third-party collection agency;

WHEREAS the third-party collection agency with which the Town intends to contract charges a collection fee of twenty-five percent (25%); and

WHEREAS the Town does not wish to absorb this cost—as this would indirectly have an adverse financial impact on Town residents;

NOW, THEREFORE, BE IT RESOLVED by the Town Council of the Town of Frankford that the Town hereby elects to "pass through" any and all third-party collection fees incurred on or after the date of this resolution to the particular debtor.
